### Introduction

KL welcomed everyone to the meeting and reminded reps to bring their green books with them.

### Topics for discussion

At our last meeting on 9 January 2018 we had talked about the Trim Trail replacement and how we can use it safely. We also talked about a new name for it.

From the names suggested Year 2 preferred Lava Trail and Year 4 liked Queens Castle.

Years 2 and 4 suggested the following rules in addition to the list created at the last meeting:

- Have fun
- Be sensible
- Don't jump off
- Follow the rules
- Look after it
- Don't jump onto it
- Take turns

These will be shared with Mrs Blyth and a final set of rules will be produced. A name will also be chosen.

Thank you to the classes that took the time to discuss these matters and share their views.

We then went on to talk about the results of the KS2 Safeguarding survey carried out in Autumn term. Reps looked at the outcomes and we talked about what we noticed about some of the responses. Reps highlighted the responses they felt needed addressing and will discuss these with their classes. At our next meeting we will listen to the views of the children to ascertain how we can move forward and make necessary changes based on how pupils feel.

### Any Other Business

Adelina asked if we could play board games at lunchtime (chess for example). Kim explained there had to be an adult to supervise a room so it could be tricky at lunchtime, however, if the games could take place outside this may be possible. KL will speak with Mrs Blyth and Adam Baldwin.

**Next Meeting:** Tuesday 6 February 2018.
