Introduction

KL welcomed the children to the meeting and explained some of the aspects of School Council. We talked about what minutes were and how they would be distributed. We also talked about the councillors having time in the class room to discuss school council topics and gather the thoughts of their classmates so they can represent them well at the next meeting.

Topic for discussion

Our topics for discussion this week were Green Tokens and our characters and can we revamp or enhance them.

The councillors had the following ideas:

- Make them harder to achieve
- They should be bigger in size
- Each class has a different colour
- Link to something other than the characters
- Different colour tokens for the different characters
- Create a ranking system, so there are for example bronze, silver and gold

Any other business

- Children would like school dinners to be tastier
- Could there be a better selection at lunchtime
- Better puddings
- Ribs please
- Can there be more condiments available ie, salt, vinegar, mayonnaise, bbq sauce

The next meeting will be on 10 October 2017 when these items will be discussed.
