

ECO COUNCIL
MINUTES OF MEETING
TUESDAY 19 SEPTEMBER 2017

Present:

Reception	Dehryn
Year 1	
Year 2	Max & Shannon
Year 3	Alexander
Year 4	Louis & Olivia
Year 5	Filip & Lacey
Year 6	Caerwyn & Kate

Mrs Huntington, Mrs Sykes, Kim Lague (minutes).

KL shared that Natasha Pierson from Huntingdon in Bloom had contacted the school today and would like to support us with our Eco efforts. She explained that there were benefits for the school as books, seeds and support would be contributed if they became involved with us. NP will be invited to an Eco meeting in the future.

The team then went up to the Wildlife Haven to ascertain what needed doing and to make a plan for the future.

The first thing we noticed was that the path was covered in moss that made it quite slippery. It was agreed this could become dangerous once the cold and wet weather was with us. KL to speak with Lauren Blyth (Acting Headteacher) and Adam Baldwin (site officer) about this.

It was decided the area definitely needed weeding, so that will be the first job for the group. WH was able to identify lots of weeds and will lead this effort. At our next meeting the children will bring their wellies and gloves if they have them and the work will begin!

Children also felt the area needed tidying up and attention given to the shed and some of the trees in the area.

WH explained to the children that she is running the gardening club (Tuesday after school – Roots, Boots and Bugs) along with Miss Allen and they would synchronise some of their activities with the Eco Council.

The attendees of the gardening club will be invited to attend when NP comes to visit the Eco Council.

KL to write to parents/carers of Eco Councillors re wellies etc for next meeting.

Next meeting: Tuesday 3 October 2017.
