Introduction

KL welcomed everyone to the meeting.

Topics for discussion

At our last meeting on 5 December we had talked about safeguarding, today we will be talking about the Trim Trail replacement and how we can use it safely. We will also talk about a new name.

These are some of the names suggested:

The Adventure Park	Cromwell Castle Park	Calling Castle Park
The Mini Gratham	Adventure Park	Mini Alton Towers
The Mini Adventure	The Mini Cars Adventure Challenge	Lava Trail
Hidden Castle	The Cromwell Academy Challenge	Trail of Nature
Mega Trimtrail	Hinchingbrooke Playground	Adventure Dome
Adventure Town	Mini City	

The rules suggested by the School Council Reps are as follows:

1. One class at a time
2. A maximum of ten people in the castle at any one time
3. At least one adult supervising
4. No pushing or shoving
5. Always be careful
6. Slow and steady
7. No throwing Bark

Please take the time to discuss these two items with your class and your reps can bring any ideas to the next meeting.

Any Other Business

Children have asked if the summer uniform can be a different colour

Some children would like the uniform to be changed (though some like the current uniform very much)

Next Meeting: Tuesday 23 January 2018.
