Introduction

KL thanked everyone for coming and reminded attendees that they should go into lunch early when it was a School Council meeting so meetings can begin promptly.

Topics for discussion

- a potential new character
- what they think about the bronze, silver gold achievement idea and what sort of prize should be won
- do they feel a survey about food served at lunchtime is a good idea
- Reps to remind classmates that they are responsible for clearing any mess they make at lunchtime

Representatives spoke with their classmates about these topics and these are the outcomes:

Any Other Business

Year 1 suggested a lunch time club where children who didn't like playing outside in the cold could play inside. KL said this was a great idea though would be dependent on staff giving up their lunch times to supervise this.

Year 5 complained that food is often cold at lunch time, especially if you were among the last to come in.

Year 5 also asked if there could be a bigger variety of sports played at lunch times and better quality equipment.

Year 5 also asked if school dinners could be pre ordered in the mornings so children would get the meal they was expecting to get.

The next meeting will be on **Tuesday 14 November 2017**.
