Staff present: Mrs Huntington, Mrs Ash and Kim Lague (minutes).

Mrs Huntington explained to attendees that once everyone had their wellies on we would all go on up to the Wild Life Haven and start weeding in the bark area first.

Everyone was very enthusiastic and lots of weeds were found. Some of them were very long and it took a bit of team work to remove them! Mrs Huntington was able to identify many plants and weeds for us.

Next meeting: Tuesday 17 October 2017 when we will be visited by Natasha Pierson from Huntingdon in Bloom.
